

Job Title: Shop Helper / Industrial Assembler

Pay: \$16.90 – \$18.00/HR, DOE

Job Description:

We are currently looking for a motivated and reliable Shop Helper / Industrial Assembler to join our team. As a Shop Helper / Industrial Assembler at Delta Scientific Corporation, you will assist in the assembly and production of industrial security equipment. This role offers a chance to gain hands-on experience in a dynamic, fast-paced manufacturing environment. You will work alongside skilled professionals, helping ensure the quality and efficiency of our operations.

Key Responsibilities:

- Assist with the assembly of vehicle access control products and components, following blueprints and assembly instructions.
- Perform general shop duties, including organizing materials, cleaning workstations, and ensuring tools are in proper working condition.
- Prepare and stage materials for assembly to ensure smooth workflows.
- Operate hand and power tools to support assembly tasks, including drills, grinders, and saws.
- Perform quality checks to ensure the highest standards of assembly and functionality.
- Troubleshoot minor assembly line issues and support the team in resolving production challenges.
- Assist with inventory management, material handling, and maintaining an organized shop floor.
- Adhere to safety standards and Delta Scientific Corporation's policies at all times.
- Help maintain a clean and safe work environment.

Qualifications:

- High school diploma or equivalent; technical training or relevant certification is a plus.
- Prior experience in an industrial or manufacturing environment is preferred.
- Ability to follow instructions and attention to detail are essential.
- Strong communication skills and ability to work effectively in a team.
- Physically able to lift heavy materials and work in a standing position for extended periods.
- Comfort using a variety of hand and power tools.
- Problem-solving skills and a proactive attitude.
- Willingness to learn new skills and adapt to new challenges in a fast-paced setting.
- Commitment to maintaining a safe and organized workspace.

Pay: \$16.90 - \$18.00/hr DOE

Delta Scientific Corporation is the world's leading manufacturer of vehicle access control equipment. Delta Scientific has been engineering and manufacturing vehicle access control equipment and selling its products worldwide since 1974. From our pioneering innovations to our unwavering commitment to security, our history reflects decades of excellence and growth.
